

MOBILEER

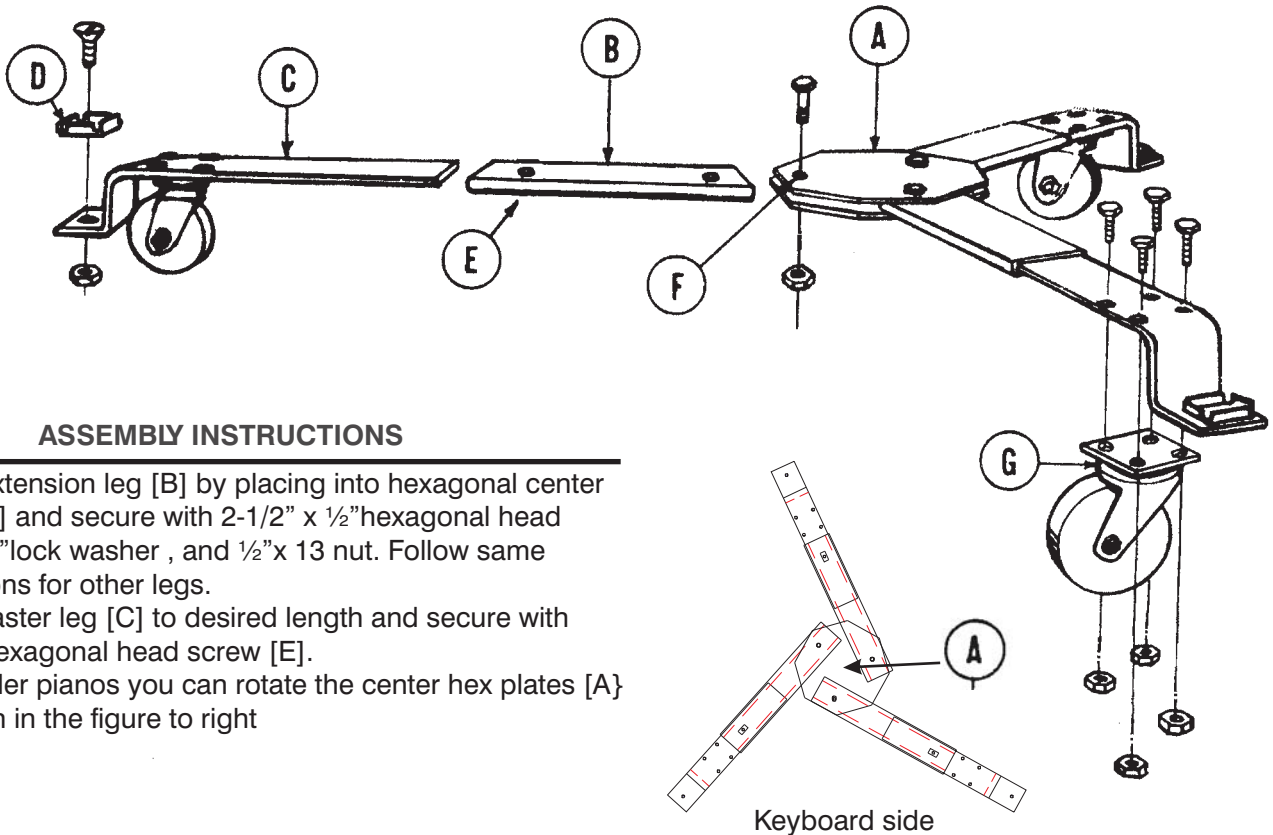

PIANO TRANSPORTER

ASSEMBLY INSTRUCTION SHEET FOR MODELS M542, M543, M544

PLATE
MUST FACE
EXTENSION
LEG [B]

To assemble transporter, make sure center hole [F] on plate [A] faces and attaches to extension leg [B]. This plate assembles ONLY this way.

ASSEMBLY INSTRUCTIONS

- 1) Attach extension leg [B] by placing into hexagonal center plates [A] and secure with 2-1/2" x 1/2" hexagonal head screw, 1/2" lock washer, and 1/2" x 13 nut. Follow same instructions for other legs.
- 2) Adjust caster leg [C] to desired length and secure with 1" x 1/2" hexagonal head screw [E].
- 3) For smaller pianos you can rotate the center hex plates [A] as shown in the figure to right
